

Education Advisory Board

Melior Community Academy's Education Advisory Board is totally dedicated to supporting the staff, infrastructure and especially the pupils. It is made up of volunteers who give their time and commitment freely.

The job of the Education Advisory Board is to support and challenge the Academy's Senior Leadership Team to raise achievement and realise the potential of all the pupils.

Melior has an extremely wide range of options available to KS4 pupils and we aim to support and enhance this area of education.

The EAB supports the vision and ethos of the new Academy within the Delta family who offer support and opportunities for the staff and pupils.
